

Losing At Love Again (Oh Yeah)

Some people say that I'm crazy
For being so in love with you
Don't know if you'd ever save me
From my lonely self, it's true
You better fix your mind
You better check yourself this time
I could be bluer than blue
I'll always get the best of you

I'm Losing at love again
Oh Yeah, Oh Yeah
Losing at love again
Oh Yeah
Losing at love, love, love again
Oh Yeah, Oh Yeah
Losing at love again, Oh Yeah!

My way
Highway
No one else to blame

I'm Losing at love again
Oh Yeah, Oh Yeah
Losing at love again
Oh Yeah
Losing at love, love, love again
Oh Yeah, Oh Yeah
Losing at love again, Oh Yeah!

You've every right to refuse
Might want to recuse yourself
It's like "whatever" with you
I'll guess I'll just excuse myself

Maybe we'll find the time
Or I'll just move on down the line
You could be truer than true
I'll always be a guess to you

I got no reason to stay
Guess I'll disappear for a while
I'm used to having my way
You're used to having yours all the
time

I'm Losing at love again
Oh Yeah, Oh Yeah
Losing at love again
Oh Yeah
Losing at love, love, love again
Oh Yeah, Oh Yeah
Losing at love again, Oh Yeah!
